COLLEGE OF HOSPITALITY & TOURISM MANAGEMENT

Get a chance to work abroad or anywhere in the country! The Bachelor of Science in Hospitality Management (BSHM) is a four-year degree program that covers the process of conception, planning, development, human resource and management of the different aspects of hotel, restaurant, and resort operations.

Would you like to see the world, or promote travel tourism? The Bachelor of Science in Tourism Management (BSTM) is a four-year degree program related to the fields of hospitality and tourism education. It provides students the opportunity to become directly involved in managing and planning the world's biggest people industry.
